Volunteer for Summer '09!!

Hello, board members, committee members, and volunteer sign ups! - Shakespeare lovers - all!!

The time has come to put our best feet forward and show our patrons how much we care about the Nashville Shakespeare Festival.

Our current needs for enthusiastic, energetic volunteers are more dire than we have ever experienced. Your commitment and involvement with The Festival serves as a crucial element in making this summer's Shakespeare in the Park yet another one of our many successes.

Whether you have volunteered before or not, it is a guarantee that you will not only enjoy working with the people you meet and an evening of fantastic Shakespeare, but you will also be making a HUGE contribution to The Festival which we all know and love.

Your efforts are greatly appreciated! Here's to another exciting year of Shakespeare in the Park!!

Thank you!
